

Fall 2006

Dear Friends of the Hall of Fame and Museum,

Over the years you have generously contributed and supported our goal of preserving trapshooting history and honoring those who have done so much for our sport. The Hall of Fame currently has 116 men and 25 women inductees.

As you know, the Grand American has left Vandalia. The Hall of Fame and Museum will relocate as well. Our board of trustees are reviewing options. In the meantime, we remain in Vandalia and will continue to support college scholarships, youth programs, and library research. We will also continue to display artifacts and trapshooting memorabilia and remain open during our normal business hours throughout the year. Visit our Hall of Fame Website at www.traphof.org.

We depend on your cash gifts so we can continue with successful programs and plan for a new facility.

If you are one of the first fifty people to return a donation of \$500 or more and you will receive a pen made from the wood of a Vandalia home grounds cafeteria chair. It comes in its own wooden display box engraved with it's history. Again, supplies are limited, so please respond quickly.

Most cordially,

Richard A. Baldwin
Museum Director
